

Client address in foreign language

Outgoing documents can include the Partner's contact details in a foreign language. To set this :

- 1) Indicate the preferred language of contact on the Client Card;
- 2) Translation of the contact details.

Ozols > Contacts > Lists > All partners > [Open Partner card]

Translation is available for the following fields of the Partner card:

1. Company Name
2. Contact person
3. Address
